Tuition for LEADERSHIP CENTRE COUNTY is \$2000 for the Class of 2018. LCC takes \$50 out of each tuition payment and puts this into our scholarship fund in order to make scholarship awards possible.

The policy of LEADERSHIP CENTRE COUNTY is to provide financial/scholarship assistance (not to exceed 50%) to those candidates who are accepted into the program and demonstrate need in order to fully participate. Financial assistance/scholarship is based on the number of requests received and the amount of funds available each year. A payment plan for tuition may be established and the payment must be paid in full by December 1st of the program year.

Consideration for financial/scholarship assistance is based primarily on demonstrated need (priority is given to those applicants who are employed in the non-profit sector, self-employed or not employed). Financial assistance request will not be part of the selection process; scholarship monies will be allocated once selection of the class is complete.
